at least 8 hours will be charged for loading/unloading tankers.

Berthed vessels / moorings for seagoing vessels

Berths for repairs, crew changes, deliveries etc. are available only when operations allow. At least three mooring hours shall be charged, always calculated from the time of the arrival of the vessel at the pier.

Vessels may use the pier only if the "Safety Rules for Visitors" and the "Tank Farm Regulations for Vessels: Mooring Agreement" have been signed and submitted to the tank farm prior to the arrival of the vessel. These forms must be requested from the competent ship agent

Advance written notice must be given to the tank farm of all deliveries to the vessel. If no notice is given, access to the pier will be prohibited.

Mooring and unmooring	€	0.12 per GT
Minimum	€	350.00
Mooring fee (including additional mooring fee following bunker end)		
7 a.m. – 5 p.m.	€	120.00 per hour
Outside these hours, Weekends, public holidays until 7 a.m. of the following day	€	180.00 per hour

Moored vessels / berths for inland waterway vessels

Inland waterway vessels may use the pier at Tank Farm Kiel, Uferstr. 48, as a mooring before or after transshipping the product if the Tank Farm Regulations for Vessels: Mooring Agreement has first been completed and signed by the ship captain and presented to the Tank Farm. The following berthing charges apply:

More than 2 hours to 8 hours mooring period	€	100.00 flat rate
over 8 hours	€	20.00 per hour
