Service Tariff

As a rule, inland waterway vessels and small seagoing vessels moor themselves.

In general, vessels may be moored only by their own crew members or by service providers approved by the Harbour Master.

For seagoing vessels, these, as well as freshwater deliveries, can be hired through ship agents.

Service Tariff effective per 01.01.2027

Wharfage

discharged ton	**0.70 €/to**
loaded ton	**0,70 €/to**

Berthed ships / berths for inland waterway vessels and seagoing vessels

Berths for repairs, crew changes, deliveries etc. are available only when operations allow.
Vessels may use the pier **only** if the “Safety Rules for Visitors” and the “Tank Farm Regulations for Vessels: Mooring Agreement” have been signed and submitted to the tank farm prior to the arrival of the vessel. These forms are available from the tank farm.
